Student Council Constitution:

1. The aim of the Student Council

The aim of the Student Council is to work in partnership with the Board of Management, staff and parents for the benefit of the whole school community. The Student Council seeks to build a relationship based on mutual respect and trust with all in the school and supports the staff, management and parents in their efforts to create and maintain an environment conducive to educational and personal development. As part of that process, the Student Council seeks to provide a line of communication between students, management, staff and parents, representing the views of the student body on matters of concern to them.

2. The work of the Student Council

The Student Council will undertake a programme of activities which will support students, parents and staff. In planning its activities the Student Council will consult with the Principal, staff and Parents' Association.

3. Student Council Officers

The Student Council will appoint a Chairperson, Secretary and Treasurer. Each will normally hold office for the year.

4. Subcommittees

The Student Council reserves the right to form subcommittees. A subcommittee will consist of at least 3 members. The planned activities of a subcommittee must be submitted to the council for approval. Subcommittees must report regularly to the council on their progress.

5. Meetings and decision-making

The Student Council will meet at least 5 times per year. Meetings can be called by the Chairperson, or by 3 or more members of the council. All council members must be given at least 1 week's notice of a meeting. At least one-third of council members have to attend for a decision to be taken. When making a decision any member of the council may call for a vote to be held, and where the votes are divided evenly the Chairperson will have the casting vote.

6. Removing members of the council and filling vacancies

The Student Council has the right to remove a member if that member fails to attend meetings or is not committed to the work or aims of the council. The member must be given at least 1 weeks notice of the proposal and must be allowed to address the council in their defence. Where a member is to be removed, a vote must be held and at least two-thirds of the council must be present.

7. Changes to the constitution

A vote must be held regarding any changes to this constitution. Proposed changes must be circulated to all members of the council at least 1 week in advance of the vote. At least two-thirds of the council must be present for the vote. Any changes to the constitution must be discussed in advance with the Board of Management.

Additional list of British Lyceum Student Council rules:

- Student Council members must attend all possible Thursday meetings, and extra meetings as called by the president or sponsors.
- Student Council members must do their best to attend all activities put on by the Student Council.
- All members will be assigned a committee and should be fully committed to the goals of that committee.
- Student Council members will come to meetings and activities on time, ready to work, and on their best behaviour.

- The Student Council may remove any member or officer of the Council for a continuing failure to attend meetings of the Student Council, or for demonstrated lack of commitment to the purposes of the Student Council, or for stated misconduct. Such a decision will be taken on the basis of a majority vote of the Council. The member or members shall be given adequate notice of the proposal, the reasons therefor and an opportunity to present their case in advance.
